

2014 Carrick Bannockburn Chardonnay

DESCRIPTION

Crafted by winemaker Francis Hutt from the Bannockburn vineyards of local icon and former NZ Winegrowers Chairman Steve Green. It's a soft creamy and lightly mineral style with well-judged oak toastiness.

SMELLS

A hint of lemon and pineapple on the nose, with toasty oak, peach and hazelnut.

TASTES

Creamy and plush, with a silky, fine mouthfeel, buffeted by pleasing notes of buttered sweetcorn, cream and flint. A very harmonious and classy drop with incredibly fine mouthfeel though enough of the creamy, buttery notes to satisfy those cravings. Enjoy it with scampi or creamy pasta dishes between now and 2020.
