

2014 Russian River Valley Chardonnay

Our Russian River Valley Chardonnay typifies the soft, fruity, bright and crisp flavors that made the Russian River Valley famous for this varietal.

The 2014 Chardonnay comes from three select vineyards in 2 distinctly different micro climates ranging from very cool in the Green Valley area to warmer days in the Russian River plain area. The gravelly soil associated with the Russian River provides minerality and structure to grapes. The resulting wine is a fantastic example of Chardonnay showcasing the effects of micro climates in the Russian River Valley.

Our Chardonnay had 20% malolactic fermentation to help round out the edges while maintaining the crisp Russian River influence. Aromas of apples and citrus combined with a hint of French oak make this wine enjoyable by itself or with food.

- Grapes picked at 24.6 degrees brix
- Alcohol percentage on the label: 13.7%
