A carmine red with hints of purple. The wine is clear and bright. The wine is already open, fond. The nose is marked by red fruits (strawberry and blackcurrant) who make of him already an expressive wine and flattering. The palate is round, smooth and tasty. The tannins are present and well coated. These tannins give silkiness and volume.

75 % Grenache . 15 % Cinsault . 10 % Mourvèdre

Dark ruby color; harmonizes very well with its red fruit nose, followed by spice(anise) and liquorice notes. Beautiful fruity finish with a supple tannic structure.
