

# Domaine Bellevue

FAMILY OWNED FOR FOUR GENERATIONS

## TOURAINÉ

### Sauvignon Blanc

The color is clear with a bright slightly golden color.

The nose is strong and complex thanks to a diverse range of aromatic groups

- Fruity (passion fruit and citrus fruit),
- Fresh plant (boxwood, blackcurrant bud)
- Empyreumatic (smoked).

The palate is rich and round.

The wine poses great weight on the palate with balanced acidity providing freshness.

The aromas on palate are very present with notes of grapefruit, candied orange and mango.

Ideal as an aperitif, with seafood or shellfish.

It is also good to taste with a pike perch or river trout.

To consume between 48F to 50F

### ACCOLADES

*"Complex aromas of citrus and a smoky quality... On the palate, even more deliciously complex... So much more to it than a typical off-dry NZ Sauvignon Blanc."*
