

BURGUNDY . FRANCE

Jean-Marc Brocard

Organic

*Saint Bris*

2014

*"It captures some of the typical characteristics of Sauvignon, with a touch of grassiness and a strong aromatic presence of citrus oils. There's also a clear resemblance to Chablis in the wine's mineral pungency, like wet rocks with a background hint of sharp cheese. Crisp and full of lively acidity, and carries enough substance to be relatively versatile on the table".*
