“...The bouquet here is quite delicate and stylish, offering up scents of strawberries, a touch of tangerine, gentle smokiness, rose petals and a fine base of white soil tones. On the palate the wine is crisp, full-bodied and beautifully balanced, with fine depth in the mid-palate, frothy mousse and excellent length and grip on the complex and quite elegant finish. This is lovely juice. 2018-2028.” - *View from the Cellar – 2018*
