

BLANDINE LE BLANC

Blandine LE BLANC always took the time to do things right in the cellar and enjoyed watching her wines mature. Always at the height of fashion, Blandine enjoyed the finer things in life and liked to host and share her wines with friends.

Côtes de Gascogne - France

This is a floral, perfumed and smooth wine. Its blend—a classic for Gascony—gives a ripe character as well as herbal and citrus flavors. It's ready to drink.
