

Cep Estate Syrah 2013

From Peay Vineyards

About Cep: The wines from Cep Vineyards, Peay's second label, reliably deliver solid quality and value - Antonio Galloni's VINOUS

The 2013 Cep Estate Syrah is an incredibly approachable and delicious wine. The nose is framed by cured meat, lavender, and iron aromas supported by a core of bright blackberry and pomegranate fruit. The mouth confirms the nose with additional leather, herb, mineral, white pepper and braised meat aromas. The Cep Syrah is medium bodied with medium intensity, low alcohol, clean acidity and a medium to long finish. Crozes-Hermitage in a very good year without the ripe berry character; a very good value.
