*A very powerful CUNE with so much blackberry, fresh mushroom and floral character. Big and tannic yet so polished at the same time. Even structure. It shows wonderful potential for ageing.*

*This generous red shows a traditional character, with leafy, dried herb, tea and spice notes framing dried cherry, licorice and leather flavors. Firm tannins and balsamic acidity impart structure, and this shows plenty of depth, with a juicy, spicy finish. Drink now through 2025. 600 cases imported.*
