

# Cune Monopole

2014

Rioja, Spain  
100% Viura

“The white 2014 Monopole... is pure stainless-steel-fermented Viura bottled unoaked. It’s a clean, fruit-driven, immediate white with faint aromas of white flowers and fruit and a light palate with moderate acidity and a spritzy hint. This should last a while, although there’s no need to wait. 400,000 bottles produced.”
