

# CHAMPAGNE DELAMOTTE

*Le Mesnil sur Oger depuis 1760*

## *Brut Blanc de Blancs 2007*

*Not just brilliant, but also deep, complex, structured. It has style, from dandy to Gatsby a born seducer.*

A great champagne is first and foremost a great wine. This is the founding principle and the ultimate challenge driving Maison Delamotte since 1760 - a philosophy shared by its sister house in Le Mesnil-sur-Oger, the mythical Champagne Salon, named after the man who pioneered Blanc de Blancs in the early 1900s.

The quality of these champagnes and the enchantment bubbling from every bottle are based on this commitment.

A wine of great depth, rich in taste and aromas, Delamotte Blanc de Blancs vintage 2007 is an immense Blanc de Blancs, very subtle and full of freshness. It is made for pleasure from apéritif to dessert.

## *Brut Blanc de Blancs 2007*

In 2007 nothing went as planned: It started with a very mild winter, went on with an exceptionally warm month of April followed by a rainy and cold early August that however ended with sun and warm temperatures, thus quickly accelerating the ripening of grapes. Tension was in the air and one had to observe, taste and watch in order to calmly choose when to start harvesting.

This resulted in a very early harvest that started on August 30th for Chardonnay. Healthy bunches from Delamotte's four favorite Grands Crus of Le Mesnil sur Oger, Oger, Avize and Cramant showed good balance between acidity and potential alcohol.

2007 is now born, man's know-how led to excellence, to a wine whose grace will reveal pleasure in momentary stillness.

### *Delamotte Blanc de Blancs 2007, born under an exceptional star*

An exception that is the rule, and this rule is the Delamotte style.

Delamotte 2007 Blanc de Blancs' appearance reveals its inner beauty : Soft gold with green reflections whose glow is accentuated by small and numerous bubbles, forerunners to frank and pure aromas of white flowers, orange blossom and jasmine. Williams pear and a touch of spearmint complete the overall intense expression of the best Côte des Blanc Chardonnays.
