

Granitic soil offering a wine with red fruit aromas, supple and elegant, very representative of Fleurie appellation.

Champagne is a Lieu Dit in the Cru Beaujolais Appellation of Fleurie

Great Fleurie wines from Jean-Paul Champagnon... a grower I had better keep an eye on.

The estate was founded in 1952, when Jean Paul Champagnon's father settled on 3 hectares in the appellation of Fleurie. Since Jean Paul took over in 1990, the estate has grown to 11 hectares.
