

Francois Mikulski Meursault 1er cru les Charmes

It is the largest plot among the 1er crus (30ha) and therefore the best-known of all climates. It expressed aromas of honey, mimosa, Turkish delight, flowers (carnation, lilac, violet), of bergamot, orange and nutmeg, spices... On the palate it evokes poached white fruits, grilled hazelnut, white chocolate, and has a sappy, sensual, intense and lengthy finish.
