

GRADIS'CIUTTA

COLLIO - ITALIA

Pinot Grigio

The nose is delicate and elegant, calling to mind flavors of vegetables, such as tomato leaf; peach and ripe apples. The palate is savoury and gentle, it has balance amidst its power, leaving a pleasing, friendly aftertaste that invites another sip. Enjoy as an aperitif, also with an array of antipasti, soups, fish baked in the oven and main courses beginning with white meats.

Woodcutter's Shiraz
BAROSSA VALLEY

This shows the greatness of the vintage with graphite, stone, oyster shell, blackberry, and licorice. Smoke undertone. Full body yet linear and energetic with a fabulous finish. A stunning wine. Great value for the quality.
