Weingut Joh. Jos. Prüm 2006 Bernkasteler Badstube Riesling Beerenauslese

Vintage 2006 at Joh. Jos. Prüm:

"After a long winter, blossoming was later than usual, but proceeded well. A moderately warm June followed by a hot July fostered the rapid development of the grapes, thereby making up for the slow start. September was outstanding, but heavy rainfall in late September and early October compelled us to start harvest very early. In order to avoid botrytis, every grape had to be selected extremely carefully. The results: a small, but high-quality harvest." (*Winemaker Dr. Katharina Prüm*)
