

FRANCOIS VILLARD

Les Contours de Deponcins

VIOGNIER

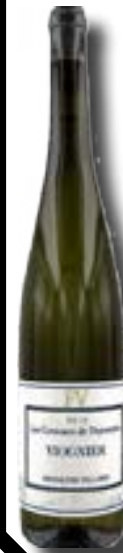

This is from the declassified young vines of the hillsides of Chavannay in Condrieu. Villard, one of the stars of the appellation, has fashioned a Viognier with loads of stuffing, minerality, and tropical fruit intermixed with floral notes. Very friendly, with peach, anise and melon flavors kept lively by a tangy note of green almond. A mineral hint adds length. Excellent pairing with spicy dishes and goat cheese.
