Vines  
Planted in  
1929!

**Bourgogne**  
100% Pinot Noir

This is also notably earthy and rustic but here it's somewhat less evident on the attractively ripe and fresh nose of red currant and dark berries. There is reasonably good volume and richness to the round, supple and forward flavors that are shaped by soft and mildly rustic tannins.

This is actually nicely complex if not especially refined.
