## Weingut Prinz Salm 2015 P2 "Two Princes" Riesling

### Vintage 2015 at Prinz Salm:

"The year started dry and the bud break came along well. There was no frost in May, and the summer showed his best side end of June. The blossoming of the vines was followed by a very dry summer which was not so good for the vines. It was not until mid-September that the first rain drops hit the ground. The quantity was saved through the rain and the grapes looked healthier than ever. Everything was set for a great harvest which started on 22nd September and ended with the last day of picking on 28th October.

The 2015 vintage will be one of the top vintages in the past 10 years. The yields as well as the quality were great with must weights between 80° and 125° Oechsle. I am certain that this year's wines will be able to age for a long time. Especially the 2015 Two Princes Riesling is showing great already." (Owner/Winemaker Felix Prinz zu Salm-Salm)
