### Tasting notes:

Purple red, nice intensity.

Expressive nose, very opened yet. Notes of ripe fruits and a touch of caramel. The palate is medium-bodied and the tannins are silky. Airy wine with a lot of delicacy.

This vintage 2015 is ripe with a nice freshness and crisp. With its nice typical Pomerol's balance it can be enjoyed now. It's also as the potential to rest for the 10 next years.
