A rare, cool-climate Syrah, the grapes for this wine are grown on the estate property. Planted on a direct south facing slope to achieve the maximum ripeness, the Syrah is the luscious base of our Rose Rustique every vintage, but we don't always get the pleasure of making a red wine.

"... This wine merits your attention. Tart and peppery, yet balanced and showing some depth of flavor, it's a marriage of umami, citrus, raspberry and stem." - Paul Gregutt, Wine Enthusiast Magazine

Coeur de Terre has been farmed organically since its inception.
