

## **FIXIN 1<sup>er</sup> CRU**

### **« CLOS DE LA PERRIÈRE »**

#### **RED 2005**

The vintage 2005 was a great year for all Burgundy and after a total restructuration in our Domaine, we obtain the "Grand Cru" quality. We adapt all the process of making wine to have the best quality and we employed a wine consultant: Mr Philippe Charlopin.

The result: bright deep pure ruby colour, bouquet complex with red fruits scents and spicy smell, in mouth: strong and complexity are the words to describe it. Strength first feeling, tannin in silky and lingering aftertaste is exceptional, lot of different aromas: mineral, spies, liquorice...
