**Vinification**

- Pneumatic pressing
- Allowed to settle in a cold environment
- Fermentation in thermoregulated wooden and stainless steel vats and barrels

**Ageing**

- On fine lees
- Stainless steel (majority) and wood

### The purest expression of the terroir

A blend of 7 parcels from the highest slopes of the appellation. This location (cool yet sunny climate) and this soil (Kimmeridgian marl) give this wine a subtle, pure nose with aromas of white flowers and citrus fruits.

The taste is racy and cristalline, clear with a citrus fruit taste initially followed by a saline and mineral finish. Nothing overly exuberant: just clarity and precision.

*Available in 375 ml, 750 ml and 1500 ml*

**menetou-salon & sancerre**
